

Welcome to Cockshut Hill School

Commitment to Learning is a whole school policy which covers all aspects of school life. It works on the principle that secondary aged students occasionally make poor choices. They must accept that there are consequences as a result of their poor choices.

All consequences (Cs) are given through a central school system and are carefully monitored by senior staff.

The aims of Commitment to Learning are:

- To improve standards of behaviour in the learning environment.
- To enhance the learning opportunities of all students.
- To provide clearly defined boundaries for students and staff regarding acceptable behaviour and the consequences of misbehaviour.
- To encourage students to take responsibility for their own actions.

How it works:

- C1** Not showing commitment
1st time: Verbal warning
- C2** Not showing commitment
2nd time: Verbal warning
- C3** Not showing commitment
3rd time: 45 minute detention 3pm-3.45pm
- C4** Not showing commitment
4th time: Isolation the next day until 3.45pm
